A) Check List for initial registration:

You will receive an e-mail confirmation of your registration as soon as we receive your application form and registration fee, as well as the calculation of the participation costs.

To ensure the smooth processing of your initial application, please check that you have supplied the following:

- 1) A filled-out application form
- 2) A check to cover your registration (\$25)
- 3) A copy of your insurance policy or card

B) Check list for participation costs:

Please make sure that your check covering the participation costs reaches us four months or more before the dig. An invoice will be sent to you on receipt of the full participation fee. Make sure that the letter accompanying your check is clearly labelled with your name, address, and preferred dates of participation on dig.
